Dear Invited Guest:

We look forward to your participation at our March 7-9th, 2006, Tribal Waste meeting in the EPA Region 8 Conference Center in Denver, Colorado. The theme for the Day 1 is: "Federal Agencies Working Together" with senior level managers from various federal agencies providing their view on how they see their agency's role in tribal solid waste management. Day 2 will focus on the inventory, assessment and cleanup of open dumps and associated data needs and Day 3 will focus on Integrated Solid Waste Management Plans.

For our out of town guests, we have reserved a block of government rate rooms at the Embassy Suites located next door to our building. Please call Embassy Suites at 303-297-8888 and ask for the block of rooms held under: EPA/National Tribal Solid Waste meeting. See the attached file for additional information. Also attached is the final agenda, along with information on the meeting location.

We look forward to holding an informative and productive meeting. Please do not hesitate to call Ron Lillich (303-312-6149), or Susanna Trujillo (303-312-7008) of my staff should you have any questions.

Sincerely,
